

## **ANASTASIOS MANOS**

Anastassios Manos is a graduate of the Department of Informatics at the Aristotle University of Thessaloniki (AUTH) and holds two postgraduate degrees: a Master of Business Administration (MBA) and a Master's in Applied Informatics from the University of Macedonia, with a specialization in Business Informatics.

He has extensive and long-standing experience in the management and implementation of complex Information Technology projects, both in Greece and abroad. Since 2012, he has been serving as the **President and Chief Executive Officer (CEO)** of **DOTSOFT S.A.**, where he has played a pivotal role in the company's development and strategic direction. Under his leadership, DOTSOFT has evolved into one of the most prominent providers of IT solutions for public sector organizations in Greece.

In addition to his executive role, he served as **Vice Chairman of the BoD of SEPVE**, the Association of Information Technology Companies of Northern Greece, from July 2009 until June 2025 and is **Chairman of the BoD of SETPE**, the Association of Hellenic Information Technology Enterprises, since July 2025.
