CONFERENCE AS PART OF
PHILOXENIA–HOTELIA 2026

The AMKE "**BYZANTINE THESSALONIKI**" cordially invites you to the conference on the unique historical and cultural identity of Thessaloniki, and the opportunities for its promotion through culture and tourism.

How can Byzantine heritage become part of the city's contemporary experience? How can monuments, cultural routes and historical memory create new opportunities for Thessaloniki as an international cultural destination?

Representatives from local government, tourism, the academic community and culture will share their views and proposals, opening a meaningful dialogue about the city's future.

YOUR PRESENCE WILL HONOUR US
